One page abstract (A4) should be submitted through the online abstract submission page on the PSA-13 web site (<http://www.sasj.jp/PSA/PSA13/index.html>) by the end of May, 2013. Note that the online abstract submission page is automatically closed on May 31, 2013. DO NOT submit your abstract by e-mail.

The abstract should contain the title (bold), names, affiliations (italic), e-mail address of the corresponding author, text, references (optional) [1-2]. When using MS-Word, use single column, 11 point Times or Times New Roman font and single spacing. You can use figures and tables, if necessarily, within the total length of the abstract of one page. DO NOT put the page number.

Only the PDF version is acceptable. Convert your abstract to the PDF file before submission and upload the PDF file of your abstract through the web site. You are requested to input information on your presentation on the web site before submission.

If you have any question and comments, please contact to the Publication Committee of PSA13.
